Press Release

SURF'S UP WITH THE MINI COOPER!

Woody Wagoon™ now has trendy Mini Cooper restyling kits: the retro 3-D Woody, the stylin' Cove, and racy Competition Stripes featuring heavy "Di-Noc" vinyl and a 3M attachment system.

Kits are OEM approved, quick to install, **offer lucrative profits**, and an unprecedented 3-year guarantee. The Woody Kit offers a "real" dimensional wood experience with simulated Marine-Teak panels, and proprietary "Santa Rosa Oak" raised, quarter-round plastic trim, while the Cove/Competition Stripes come in several color-shifting shades.

All kits are manufactured to ISO 9001 standards and are shipped ready-to-install and include detailed instructions designed for the first-time installer. Instruction kits consist of two manuals, descriptive text, and how-to photos, which make the installation trouble-free. Even if you need a hand, tech help from Woody Wagoon's professional installers is just a phone call away. Hundreds of home enthusiasts, even an 80-year-old grandmother, have installed our kits! Call today for the location of your local retailer, installer, or for ordering information.
