Press Release

PT WOODY™ CHROME BUMPER COVERS MAKE YOUR CRUISER SHINE!

The Chrome Bumper Covers from PT Woody™ represent a true breakthrough in PT Cruiser accessories. The plain, gray plastic stock bumpers present a conflict with the retro styling, and beg for trim or modification to accent the great original styling of the Cruiser. These chrome covers add the finishing touch to the PT's outstanding design.

Our quality chrome covers are built to the highest standards. Starting with thin (to keep the weight down) high-grade bumper-specific steel, they are polished and plated to O.E. specifications using a double nickel process.

Installation is an easy job, requiring about one hour. Designed to provide a durable and lightweight steel outer skin to the stock bumpers, they slip on easily and are attached using the supplied fasteners in the designated, hidden locations. Call today for the location of your local retailer or installer, or to order direct.
